LEEPAC Meeting

I recently had the opportunity to speak before the Law Enforcement Planning Association of California (LEEPAC) Meeting on June 1st in Elk Grove, CA. It was a great pleasure to represent the Florida CPTED Network in front of the oldest CPTED association in the United States! Much has been said concerning LEEPAC over the years about their commitment to CPTED. It was very clear to me from the attendance at the meeting that all that has been said is true. They are committed to their organization.

As part of the presentation I covered the City of Tampa's program which uses Overlay Districts to implement CPTED strategies. I also discussed the Florida Attorney General's Office CPTED training program and the newly created CPTED designation. Everyone in attendance seemed quite interested in what we are doing in Florida. Of course I talked about the FCN in great detail and our commitment to CPTED. I spoke about our drive to recruit new members at the AG's Basic CPTED course where we provide coffee on the first day of training along with an introduction to FCN and membership applications. I also discussed the diversity of our membership and how we recruit members from a variety of professions.

It was a great experience and one I will remember for some time. I want to especially thank LEEPAC President Pam Harlan for allowing me the opportunity to speak before the membership and agreeing to open the door between our two associations. I would also like to thank Board Member Denise Costello for the tour of Sacramento and the Elk Grove Police Department. Thanks to all LEEPAC members for the wonderful clock that now sits on my desk and to the FCN members for supporting this trip. I look forward to our next visit.

From left to right Vice President Phil Jordan, Board Member Denise Costello, Art Hushen, Board Member Jeffery Rodrigues, President Pam Harlan

FCN Meeting June 18

Mark your calendars for the next FCN meeting scheduled for Friday June 18, 2004. The Board of Directors meeting starts at 9:00 AM and our General Meeting starts at 10:00 AM. Ed Isbell of the Florida Attorney General's Office has arranged for our meeting location which is the Leon County Sheriffs Office located at 2825 Municipal Way, Tallahassee, FL. The meeting room is the Citizen's Academy Room. Our guest presenters are Peter Zulinke of the Tallahassee Parks and Recreation Department, Tommy Tennison of the Tallahassee Police Department, and Gordon Hansen of the Tallahassee Growth Management Department. Their presentation begins at 11:00 AM. If you are planning on arriving the night before please check the special rate of \$79 being offered by the Cabbot

Lodge at 1653 Raymond Diehl Rd. Join us for an evening of CPTED discussion. Check with the front desk when you arrive and locate the FCN group. The Cabbot Lodge number is 850-386-7500. I look forward to seeing you there! For meeting information and agenda check the webpage at www.flcpted.org. For additional information and directions go the FCN webpage at www.flcpted.org under meeting Information.

Florida Attorney General's Office Creates CPTED Designation

Inside Story Headline

Designed for crime prevention and community oriented policing officers, planners, and architects, the designation provides officers and civilians with the skills necessary to deliver comprehensive CPTED programs to Florida's residential and commercial industry, as well as local government.

INITIAL DESIGNATION

To earn the CPTED Practitioner designation, a participant must successfully complete sixty-four hours of instruction offered through FCPTI and/or other recognized training entities within a period of two consecutive years. The curriculum includes sixty-four hours of instruction, of which twenty-four hours must include Advanced CPTED training provided by FCPTI.

Basic Crime Prevention Through Environmental Design is a forty hour course which teaches a student the proper design and effective use of the physical environment to achieve a more productive use of space and a reduction of crime; and **Advanced CPTED** is a twenty-four hour course which provides instruction in plan review, report writing, presentation skills, lighting, zoning, and behavioral management; more productive use of space and a reduction of crime. and **Other Recognized CPTED Training** from a recognized training entity which provides instruction in basic CPTED principles to include the proper design and effective use of the physical environment to achieve a more productive

Students must pass a written examination at the end of each course. Upon successful completion of sixty-four hours of CPTED training, the designation of Florida Crime Prevention Through Environmental Design Practitioner is awarded to the student by Attorney General Charlie Crist.

MAINTAINING THE DESIGNATION

The initial Florida CPTED Practitioner designation is valid for a period of three years from the date that appears on the Florida CPTED Practitioner designation certificate. To maintain the designation, a CPTED Practitioner must successfully complete the eight hour CPTED Practitioner Update course offered by FCPTI, which provides the Practitioner with current information on CPTED issues and trends. Upon successful completion of a CPTED Practitioner Update course, the designation will be renewed for a period of three years from the date of the Update course.

FOR MORE INFORMATION

Additional information on the Florida CPTED Practitioner designation may be obtained by writing the Florida Crime Prevention Training Institute, Office of the Attorney General, PL-01, The Capitol, Tallahassee, Florida 32399-1050, or by calling FCPTI at (850) 414-3360.

Baldwin Park Tour

For those of you who attended our FCN meeting on March 19th you were treated to a very special tour of Baldwin Park. Vice Chair Tom Sommersdorf gave an account of the Orlando Police Department's role in the development. It was a great walking tour of a site that once use to be a military installation. With great designs and an excellent neighborhood setting many of us got into the spirit and were actually house shopping! Thanks again to Tom Sommersdorf for his work and effort in putting together a great tour!

I hope to see everyone at our next FCN meeting on June 18th. If you need directions or additional information go to our webpage at www.flcpted.org. See you in Tallahassee!!

Check the webpage for meeting information.
